

## Disclaimer of Non-Affiliation

### 1. General Statement

GPChat is an independent product developed and operated by **FOP Luzhnyi Vladyslav Oleh**, located at 7 Zaporizkoho Kozatstva Street, Apt. 15, Zaporizhzhia, 69097, Ukraine. GPChat is **not affiliated, associated, authorized, endorsed by, or in any way officially connected** with any third-party company, organization, or entity unless expressly stated in writing.

---

### 2. Third-Party Trademarks and Brands

All names, logos, trademarks, and registered trademarks mentioned within the GPChat application or on the GPChat.co website are the property of their respective owners. Any use of these names or marks is for **identification purposes only** and does not imply any association, endorsement, or partnership.

---

### 3. Use of Third-Party APIs

GPChat may integrate with or provide access to third-party services and platforms, including but not limited to AI models, natural language processing systems, and image generation tools, via publicly available or commercially licensed APIs.

All such integrations are conducted in accordance with the applicable **terms of service, developer guidelines, and licensing agreements** of the respective API providers. GPChat does not claim ownership of, nor does it provide any guarantees regarding, the accuracy, reliability, or suitability of the outputs generated by third-party services.

Any mention of third-party technologies within GPChat is made solely to describe features and functionality and **does not imply any form of partnership, sponsorship, or joint venture**.

---

### 4. Content Produced Through Integrations

The content generated through GPChat's integrations with third-party APIs is the result of automated processing and may vary in quality, accuracy, or relevance. While GPChat takes reasonable steps to ensure that the services it offers function as intended, **we cannot guarantee that generated content will be free from errors, omissions, or unintended meanings**.

Users are solely responsible for evaluating the accuracy and appropriateness of any output produced using GPChat and for ensuring that such content complies with applicable laws, regulations, and platform rules.

---

### 5. Use of Third-Party APIs

GPChat may integrate, connect to, or otherwise make use of various third-party services, platforms, and technologies, including but not limited to artificial intelligence (AI) models,

natural language processing systems, text-to-image generation tools, speech recognition systems, and other machine learning technologies, through the use of publicly available or commercially licensed Application Programming Interfaces (“APIs”).

Such integrations are implemented strictly in compliance with the applicable **Terms of Service, Developer Policies, Acceptable Use Policies, and Licensing Agreements** of the respective API providers, including, but not limited to, providers such as OpenAI, Google, Midjourney, and other independent technology companies.

GPChat neither claims nor implies any ownership of, endorsement by, sponsorship from, or formal association with these third-party providers. All intellectual property rights in such technologies remain exclusively with their respective owners.

Any references to third-party trademarks, product names, or service marks that may appear within GPChat or on the GPChat.co website are made **solely for the purpose of accurately describing the compatibility or functionality of the service** and are not intended to suggest any affiliation, partnership, or approval.

---

## 6. Content Produced Through Integrations

The content generated through GPChat’s integrations with third-party APIs is produced by automated processes and may vary significantly in style, tone, quality, accuracy, or factual correctness. While GPChat strives to provide reliable and consistent services, the nature of AI-driven technologies inherently means that outputs may occasionally contain inaccuracies, outdated information, culturally sensitive content, or interpretations that differ from user expectations.

By using GPChat, the user acknowledges and agrees that:

- a) GPChat is not responsible for independently verifying the accuracy or legality of any generated content;
- b) All generated content is provided “as is,” without warranties of any kind, either express or implied, including but not limited to warranties of accuracy, fitness for a particular purpose, or non-infringement;
- c) The user is solely responsible for reviewing, editing, and ensuring that any content generated via GPChat complies with applicable laws, regulations, ethical guidelines, and platform-specific content policies before publishing, sharing, or otherwise using such content;
- d) GPChat shall not be liable for any damages, losses, claims, or regulatory actions arising directly or indirectly from the use, misuse, interpretation, or reliance upon such generated content.

## 7. Governing Law and Jurisdiction

These Terms of Service and any dispute, claim, or controversy arising out of or relating to your use of GPChat or the GPChat.co website shall be governed by and construed in accordance with the laws of **Ukraine**, without regard to its conflict of law provisions.

You agree that any legal action or proceeding relating to your use of GPChat shall be brought

exclusively before the competent courts located in **Zaporizhzhia, Ukraine**, and you hereby irrevocably submit to the jurisdiction of such courts.

---

## **8. Severability**

If any provision of these Terms is found to be invalid, illegal, or unenforceable by a court of competent jurisdiction, such provision shall be enforced to the maximum extent permissible, and the remaining provisions shall continue in full force and effect.

---

## **9. Entire Agreement**

These Terms constitute the entire agreement between you and GPChat regarding your use of the application and the website, superseding any prior agreements, understandings, or arrangements (whether oral or written) relating to the subject matter herein.

---

## **10. Waiver**

No waiver by GPChat of any term or condition set forth in these Terms shall be deemed a further or continuing waiver of such term or condition or a waiver of any other term or condition. Any failure by GPChat to assert a right or provision under these Terms shall not constitute a waiver of such right or provision.

---

## **11. Force Majeure**

GPChat shall not be held liable or responsible for any failure or delay in performance caused by events beyond its reasonable control, including but not limited to acts of God, governmental actions, natural disasters, wars, internet or communication failures, or the unavailability of third-party services and APIs.

---
